Moran Resigns as President of Savings Bank

Raymond G. Moran, President
and Chief Executive Officer of the
Bethel Savings Bank submitted his
resignation to the Board of Trustees
at the annual meeting on
Wednesday, June 10, 1981. The ef-
fective date is June 30, 1981.

Mr. Moran came to Bethel in
1973 to assume the duties of Treasurer
after 12 years experience as a
commercial banker with the
Hudson National Bank, the Bra-
hamham Trust Co. and the State
Street Bank and Trust, all of Mas-
sachusetts. He was elected Presi-
dent and Chief Executive Officer of the
Bethel Savings Bank in 1975, the year following the Bank's
move into its new building on
Main Street.

This was the beginning of rapid
change in banking circles which was to develop into a complete
revision of the State of Maine
Banking Laws and a modification
of Federal Law as well, all designed to equate the powers
of financial institutions. Taking
full advantage of the new authori-
zation granted to thrift institutions
to expand on customer services,
Mr. Moran instituted programs of
checking, NOW accounts, consumer
loans, and more recently, com-
mercial loans. As a result, the
Bank experienced a period of unusual
growth which saw its assets
double during his tenure of office.
At the same time, the Bank ex-
panded its area of service by open-
ing a branch in Harrison in 1975,
followed by the establishment of
the West Paris Branch in 1978.

In addition to his duties as Pre-
sident, Mr. Moran has served as a
Trustee and Corporator and as
a member of the Executive Com-
mittee of the Savings Bank Associa-
tion of Maine during his eight
years association with the Bethel
Savings Bank.

SUMMER PLAYGROUND OPENS JUNE 22

The Bethel Recreation Board is
pleased to announce the opening
of its summer playground program
on June 22, running through
July 10. All Bethel children are
invited to come to Crescent Park
School for another summer of fun.

In its fifth season now, the Play-
ground Program offers various op-
portunities for creative expression
through games and sports, arts
and crafts, dramatics, nature ac-
tivities and special events. There
is never a dull moment, only the
joy of summer time activity at the
playground!

Summer playground is offered
for children going into grades kin-
dergarten through six. A daily
program begins at 9 each morning
except Mondays (10 a. m.) and
runs until 3. Registration is required. Parents may register
their children at the Town Office
or on the playground. A one-time
supplies fee of \$1/child (\$2/family)
will be charged. Playground policy
does not require daily at-
tendance, only that everyone have
a great time.

96 Graduate at Telstar Last Friday

The thirteenth commencement of
Telstar Regional High School was held
last Friday evening, June 12, before an overflow audience at
the school's gymnasium.

Prior to the procession, led by
Suzanne Kimball and Rocky Myers,
class marshals, the graduates
made a special floral presentation
to their parents, thanking them
for their guidance and support
throughout high school.

Following the invocation by Rev.
Millett Cummings, pastor of the
Bethel United Methodist Church,
Lauri Mae Cox, class secretary,
welcomed those attending the
commencement program.

The first honor essay was given
by Miss Tammy Lee Dunham. An
accomplished musician, she served
as accompanist to many theater
and choral activities and played
first chair clarinet in the Telstar
Band. She was selected as a Girls
State Delegate her Junior year
and is a member of the National

Last week we had quite a little rain but also had enough sun so that everything is just bursting (or as the song says June is bursting out all over). Of course, this also brings the weeds. The peonies, cream and red, are beautiful, and the mock orange has started to come out. I always like it when it blossoms because it is so fragrant. We have some later blooming lilacs, as they are over by the woods, and one day last week as I walked by the double purple ones; almost every flower had a monarch butterfly resting on it. These large yellow and dark brown butterflies with their wings unfurled on the lilac were a picture. I tried counting them but they would start flying before I could get to them all. The weekend was just ideal. It wasn't too hot to work outdoors but still was warm enough to laze in the sun if one wished, although parts of Sunday looked like rain, it didn't materialize until the night.

Mrs. Frank Murphy had Melissa Borowski for the week end and Melissa's aunt, Doreen Teller, of Berlin, N. H., also stayed to help. They left Sunday morning. Sunday afternoon Mr. and Mrs. Frank Murphy had a barbecue and guests were Priscilla Murphy, Gorham, N. H., and Rhody Sprague with children, Vicki and Dusty, of Oregon.

Robert and Linda Howe had their parents, Edward and Sylvia Fontaine of Mexico, Sunday for a la-sagna dinner.

Amy Hammon, daughter of Mr. and Mrs. Daniel Hammon, was a dancing flower in one of the routines they had at the Ethel Bisbee Circus.

The lupins by Mrs. Evelyn Hiborn's house make a beautiful blue and rose colored cover by the side house and out back.

Randy Wilson stayed Friday and Saturday night with his friend, Andy Smith, at Mr. and Mrs. Homestreet's.

John Laban began his vacation this week and will be shearing sheep.

Mr. and Mrs. Stan Brown are painting their house. Don and Arlene Brown, Harry and Barbara Kuzyk, called on the Browns one evening. Pat Riley of Portland visited her aunt, Mrs. Althea Brown and Stan, Saturday, and had lunch.

Mrs. Althea Brown went to Locke Mills School Monday and showed slides on Alaska.

Sheri Angevine, daughter of Mr. and Mrs. Dick Angevine, graduated Friday. Mr. and Mrs. Dick Angevine and children, Ernest and Alberta Angevine, and Judy Coddridge, Sarah and Jessica, went to graduation exercises and Kristy Angevine played in the band.

Saturday night, Mr. and Mrs. Dick Angevine, Sheri, Kristy and Timmy, and Mr. and Mrs. Ernest Angevine had supper at a restaurant in Mexicó.

Mr. and Mrs. Joe Shimamura, Jody, Kurt Brown, and Jolene Andre helped Mr. and Mrs. Billy Shimamura and Justin move to their new place in Otisfield. They all had a cookout after.

Debbie Seames helped at the horse show at Mr. and Mrs. Pat Murphy's Saturday. Davie Seames rode on Swirl and Melinda Mason also rode.

Gerry Shimamura, Jody, and Thelma Merrill, went to Awards Night at Telstar on June 9. Jody won an award as Most Versatile Student.

Elwin Wilson of Orono came Friday afternoon to visit his sister, and husband, Mr. and Mrs. Leslie Lapham, and had supper.

Macki Chapman has started work in the kitchen at Bethel Inn. Macki, Howard and boys will be spending time at her grandmother's, Ada Valentine's.

Mrs. Sylvia Benson went to Hermon Wednesday to visit her mother, Mrs. Alice Foss.

Saturday, Frank and Sylvia Ben-

White Mountain National Forest

Trail maintenance efforts are in full swing, with the Spruce Hill trail to Speckled Mountain recently being reopened. Trail crews led by Joe Taylor, Ted Gardner, Doug Blodgett and recently Randy Littlefield, will continue to work on blowdown removal on the District's 170 plus mile trail system. The Appalachian Mountain Club, Chatham Trails Association, and the Forest Service have combined efforts to ensure area trails are passable and safe as soon as possible. Up-to-date trail conditions can be obtained by contacting the District office.

On Sunday, June 28, District Ranger Mark Boche will present an update of blowdown salvage and trail clearing efforts at the AMC's Cold River Camp at 7:30 p.m. The public is invited to attend.

Don Feeney has returned for his 13th summer working with the Evans Notch District. This year, as in years past, Don will be a backcountry patrolman performing such duties as visitor information, light trail maintenance, and law enforcement.

Caution continues to be emphasized for those who travel the area roads. The heavy traffic of logging trucks associated with salvage operations requires extra care and to drive defensively. The Deer Hill Road will remain closed until logging operations have been completed, and users of State Highway 113 are encouraged to drive with their lights on for safety.

The Evans Notch District office will now be open on Saturdays and Sundays from 7:30 a.m. until 4 p.m. Public information and permits will be available at those hours. Regular business hours are Monday through Friday, 7:30 to 4. Information can be obtained by calling 824-2134 or stopping in at the office on Bridge Street.

June

And what is so rare as a day in June?

Then, if ever, come perfect days; Then Heaven tries earth if it be in tune.

And over it softly her warm ear loves;

Whether we look or whether we listen,

We hear life murmur or see it glisten;

Every cloud feels a stir of might,

An instant within it that reaches

And towers,

And, groping blindly above it for light;

Then on Wednesday evening they went to a bridal shower for Pam Carter at Myrna Carter's home. Greenwood City —

Mrs. Colista Morgan, Correspondent

It is worth while to wake early during these days, because of the dawn chorus. There are the sawing notes, the bell notes, the teasing notes and many small utterances.

It is hard to pick out the individual songs because the whole yard is ringing. Then as suddenly as it arose, it begins to subside. From out back came the song of a thrush, wherever he likes his voice.

This was a cloudless day and the hills were green, the countryside shimmering in the sun light. Just the day to go over the hills and far away. A breeze, more like a coolness than a stream of air, passed down the valley. So Ruth, Fay and I took advantage of it. We drove to the car and left it near the New York line to walk that side of Patch Mountain.

The road ran through the deep forest most of the way. The harmony of the trees like organ music fingered among the arches of the trees. Every leaf had its own tongue.

The squirrels ran and snickered at our approach, or mocked the solitude with their chattering and fr

MOLLYOCKETT DAY FESTIVAL
IN BETHEL ADDS MUSIC

"The best musical talent to perform at the Rotary's Western Maine Music Festival on Mollyockett Day, Saturday, July 18, in Bethel will win a chance to cut a complete record, five hours in a recording studio," says Joe Robiller, music festival committee chairman. Recording will be done at the Outlook Recording Studio in Bethel.

Dr. Gersen and Mrs. Twichell to the following:

Ingrid Andersson, Sheri Angevine, Dennis Barker, Marlene Bean, Penelope Bean, Dorie Becker, Suzanne Billings, Eric Bolio, Brenda Bowers, Daniel Bremon, Karen Brooks, Kelly Brooks, Luke Carter, Pamela Carter, Nyoka Clark, Bruce Clements.

This year the Bethel Rotary Club has added a musical note to the annual Mollyockett Day celebration on the town's common. Set to start at 4:30 p.m., the musical element of this year's event is expected to last until late in the evening. In addition to the music festival, there will be bike races, auction, chicken barbecue dinner and a large variety of booths and exhibits.

Robiller says that he has already signed up three blue grass bands plus other duos and singles but is on the search for more performers. He says, "We have a number of inducements besides the first prize such as each performing unit will get \$5 of gas; all contestants are eligible for a free chicken barbecue dinner; and the second place prize is a two hour recording session, enough to complete a demonstration tape. Trophies will be awarded for the best overall performer, best vocal and best instrumental."

Each performing group or singer will have 20 to 30 minutes for their respective programs according to the committee spokesman. Candidates can contact Robiller at the Boiler Room Restaurant by calling Bryant Pond 100; callers must dial the operator and ask for the Bryant Pond exchange; or they may write to Joe Robiller, Rotary Music Festival, Bethel, Maine 04217.
